Teachers,

The climbing area is outside between the playground and the P.E. bleachers. It is very important that you have your class AT THE PRESENTATION LOCATION at the designated time so that every 3rd, 4th, and 5th grader can climb. Please be prompt. Once everyone is in place, the facilitators will deliver a motivational presentation and discussion about character. After that, each student will be encouraged to climb the rock at his/her ability level. From what I understand, teachers will have the option to participate if time permits.

Please remind your students the day before to wear appropriate clothing and shoes for this activity.

Thanks!
Sherri T.

*****IMPORTANT: STUDENTS MUST HAVE SIGNED PERMISSION SLIP TO CLIMB!*****
